

# Technology Products Newsletter

**February 2024**

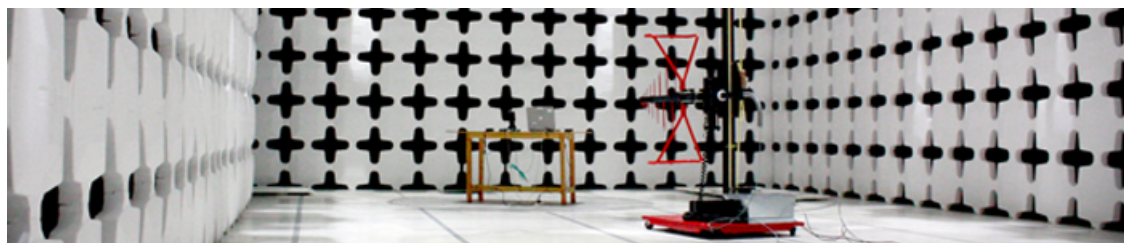

Welcome to our February issue of Bureau Veritas' Global Technology Products Newsletter, providing our latest updates on electrical, automotive/new mobility and electronics/wireless market segments.

## **Bureau Veritas becomes the market leader in Consumer Products Services in Mexico through the acquisition of “ANCE S.A de C.V.”**

This acquisition significantly enhances Bureau Veritas' Consumer Products Services presence in the Americas, entering a large and growing domestic market with increasing regulatory requirements for quality, safety and energy efficiency. It positions Bureau Veritas Consumer Products Services as the market leader in Mexico.
