eNewsletter

September 2019

Welcome to our September issue of Bureau Veritas Global **E.A.W.** eNewsletter for the Electrical & Electronics, Automotive and Wireless/Smartworld industry.

In this issue, we announce our wireless lab in Taiwan has added two new testing services for Wi-Fi CERTIFIED 6™ and Wi-Fi CERTIFIED Passpoint® Release 3, complementing to our wide range of Wi-Fi testing services including Wi-Fi CERTIFIED Enhanced Open™, Wi-Fi CERTIFIED Easy Connect™ and Wi-Fi CERTIFIED EasyMesh™. From 22-24 October, we are once again exhibiting at the Mobile World Congress America in Los Angeles, and the Automotive Testing Expo in Novi, USA, respectively. Visit our specialists at our booths to get first-hand information of our latest solutions addressing 5G, cybersecurity, smart home, global market access and new mobility.
