How Does this Impact You? Contact Us to Discuss

By monitoring Proposition 65 actions and settlements, Bureau Veritas help retailers and manufacturers take a proactive and comprehensive approach to compliance. We assist our clients in determining if listed Prop 65 chemicals are present in their products, identifying exposure routes and assessing the risk levels in items. We then help our clients to build in the appropriate requirements into their testing and quality assurance program on an ongoing basis.

If you have any questions, please contact your customer service representative or email: info@us.bureauveritas.com
