CPSC Publishes Direct Final Rule for Sling Carriers

On Monday April 20, 2020, the U.S. Consumer Product Safety Commission (CPSC) staff published within the Federal Register a Direct Final Rule for 16 CFR Part 1228, Safety Standard for Sling Carriers. 16 CFR Part 1228 will now reference ASTM F2907-19, Standard Consumer Safety Specification for Sling Carriers as mandatory with one modification.

The previous version of the 16 CFR 1228 referenced the ASTM F2907-15 with one modification. The 2019 version of the ASTM F2907 includes a revision for carriers that are designed to carry two occupants, a warning statement advising to never use or wear more than one carrier at a time and other minor editorial changes.

This Direct Final Rule will become effective July 6, 2020 unless the CPSC receives any significant or adverse comments by May 20, 2020.

Additional Information: To view the Direct Final Rule publication within the Federal Register: <https://www.govinfo.gov/content/pkg/FR-2020-04-20/pdf/2020-07522.pdf>

How Does this Impact You? Contact Us to Discuss

Bureau Veritas can help you ensure that your products will meet your customer's expectations as well as all applicable regulations. We can help you reduce cost and time-to-market, minimize the risk of recalls and returns, increase sales and customer satisfaction, and eliminate previously unidentified threats to your company's reputation. Our services help protect both your bottom line and your peace of mind.

If you have any questions on these final rules, please contact your customer service representative or email: cps.info@us.bureauveritas.com
